

REINING AUSTRALIA NATIONAL GOLD BUCKLE FUTURITIES OPEN & NON-PRO

About the Gold Buckle Futurity Program:

Reining Australia first introduced the Gold Buckle Futurity Program in 2011 for the Open Divisions only of the Reining Australia National Gold Buckle Futurity. In 2017 the program was extended to include the Non-Pro Futurity.

The principal aim has been to attract the interest of all horse breeders and owners to become engaged with the Reining Australia in promoting progeny who may be destined for a reining career and in particular the Australian National Reining Championships hosting the Gold Buckle Futurity. Owners who NOMINATE their progeny are potentially adding to their value and marketability while aiding in a more rewarding futurity with greater prize monies and trophies. Owners who NOMINATE their progeny at a young age will realise the cost benefits for those horses that progress to the Futurity.

The core difference to the conditions of ENTRY requirements meant that horses were required to first NOMINATE into the Gold Buckle Futurity Program as a precondition of ENTRY into Reining Australia National Gold Buckle Futurity.

HORSE NOMINATION - Conditions and Fees:

NOMINATION of a horse into the Gold Buckle Program will be accepted by Reining Australia from the time of foaling though to time of ENTRY.

The NOMINATION process can be actioned by the Horse Owner and is open to any horse regardless of Breed or Breed Registration.

There is no requirement for the Horse Owner to be a member of Reining Australia at the time of nomination.

CHANGE OF OWNERSHIP: A horse NOMINATED into the Reining Australia Gold Buckle Futurity Program may change ownership and retain its NOMINATION status under the new owner, provided Reining Australia is notified in writing on the Transfer of Ownership form. A Change of Ownership form is available for down-load on the RA Website. The new owner needs only to be a member of RA once the horse is shown.

NOMINATOR INCENTIVE: The Nominator Incentive is a benefit of the program that pays money back to the person that NOMINATES a horse which competes in the Open Level 4 division of the Reining Australia National Gold Buckle Futurity. A 5% is paid back to the nominator of the horse, even if that person no longer owns the horse. This payment applies to the Open Level 4 Prize money only.
